God is not a God of confusion but a God of peace (1Cor. 14:33).

According to the Bible those who are sanctified in Christ Jesus, called to be saints, with all who in every place call on the Name of Jesus Christ our Lord, both theirs and ours (1Cor. 1:2).

The reason why we do not directly pray to the Father is because of His unique characteristics which are as follows:

- >He is forever invisible (John 1:18; Col. 1:15, etc.)
- >He is unknowable (John 17:25)
- >He is not directly audible (John 5:37).
- >He is forever unapproachable (John 14:6; 1Tim. 6:16).

The Holy Spirit manifests Himself in symbolic forms as dove, fire, rushing mighty wind, oil, etc., there is no mention in scriptures that we are to pray TO the Holy Spirit but in Eph. 6:18 and Jude 20, it says that we are to pray IN the Holy Spirit. Take note of the importance of prepositions for clearer understanding of God's word.

Una sa lahat ang Dios ay hindi Dios ng kaguluhan kundi ng kaayusan (1Cor. 14:33). Sa mga nag aangkin na sila ay kristiano sinasaad sa Biblia na "Lahat ng hinirang ay tumatawag sa Pangalan ng Panginoong Hesu-Kristo sa lahat ng dako." (1Cor. 1:2).

Ang Dios Ama ay may mga katangian, at ito ang mga kadahilnan kung bakit hindi sa kanya direktang nananalangin:

- >Walang nilalang na nakakita sa Ama kailanman (Juan 1:18; Col. 1:15, etc.)
- >Walang nakakakilala sa Ama sinomang nilalang sa mundo ((Juan 17:25).
- >Walang nakarinig sa boses ng Ama ng direkta (Juan 5:37).
- >Hindi Siya malalapitan ng sinomang nilalang (Juan 14:6; 1Tim. 6:16).

Ang Banal na Espirito naman ang saksi sa Gawain ng Dios Anak (Juan 15:26). Siya ay pasagisag na nag-hahayag tulad ng apoy, kalapati, ugong ng malakas na hangin, tangis, etc. Walang na-kasaad sa Biblia na manalangin sa Banal na Espirito. Pansin ang pang ukol (preposition) na ginamit sa wikang ingles dahil kapos ang salin ng tagalog sa orihinal. Walang "pray to the Holy Spirit" pero mayroong "Praying IN the Holy Spirit" (Efeso 6:18; Judas 20).
